

ROOTS SCHOOL

Student(s) Name(s)

Parent/Guardian Name

Parent/Guardian Phone Number and Email Address

### Parent/Guardian Volunteer Signup Form

**At Roots School, each parent/guardian is responsible for 12 hours of volunteering per year.** Volunteering for activities is one reason why Roots School can maintain affordable tuition. Without parents and guardians volunteering their time, our school would be required to hire outside contractors to perform these activities, which would reduce the funds available for educational resources and activities. Some important benefits from volunteering: developing bonds with other families in our community, children who observe parents participating see that their parents are committed to their school, and that the unique education provided by Roots School is important to the family.

**Each parent/guardian is required to complete their own volunteer form.** Please circle all areas you are interested in, and return this completed form to the school office. We will contact you with regards to areas which need help. Mahalo!
